NATURE – UP CLOSE & PERSONAL

Date: **June – Aug >>>** By: **Eileen Keelan**

Eileen Keelan is an artist from Rush, Co. Dublin, having lived there for most of her life. She has always loved art from childhood and has a deep love for nature.

Being a good observer of what nature has to offer all around her in the beauty of the landscape and seascape of north county Dublin, she likes to take a closer look at what she sees.

"I make art that embodies a sense of the natural landscape around me. My love of the elements which make up my surroundings are what uplifts and motivates me. The process of mixing media is very exciting and it takes me on a journey of exploration of both the landscape and myself"

This exhibition continues until Friday 14th August.
